

How to Utilize Your Benefit

This laser vision benefit is available to all members and their eligible dependents. Follow these simple steps to obtain your discount:

1. Please call toll-free 1-866-767-2179 to find a participating laser vision correction provider or Schedule Online at a LasikPlus® Vision Center near you.

2. Obtain a Discount Certificate (Not required if you schedule with a LasikPlus Center).

You may choose to receive a certificate via email. Simply provide our representative with an email address and you will automatically receive your certificate via email within 24 hours.

3. Schedule an appointment with an "in-network" provider.

Please bring your Discount Certificate to the surgeon's office.

4. Schedule a treatment date.

If you and your provider determine that laser vision correction is right for you, schedule an appointment with the provider.

5. Activate your discount.

Upon scheduling your treatment date, call 1-866-767-2179 to activate your discount and make a \$100/eye deposit.

6. Payment.

The in-network provider will simply deduct your discount AND deposit from the price.

Financing arrangements, if available, may be discussed directly with the surgeon's office.

There are no claim forms to file.

7. Post-Operative Visits.

Please follow all post-op instructions and attend all suggested follow-up visits.
